

If you would like to find out more about Front Range Christian School, why not come to one of our Drop In Mondays? During the school year, your family may simply drop by FRCS on any Monday from 12:00pm-2:00pm (when school is in session) and take a tour of our school, meet principals and teachers and grasp the vision for Christian education! No appointment is necessary – just check-in at one of our offices. Hope to see you at our next Drop In Monday!
