

The Explore Club at FRCS has been established to provide after-school opportunities and activities similar to our school-day Explore Program. The Explore Club focuses on activities that will challenge, develop, and celebrate each student's God-given abilities.

Participation in the Explore Club is open to all students in grades 2-5. The Explore Club will be led by Mrs. Eitzen and will meet on Wednesday afternoons from 3:00pm - 5:00pm for five four-week sessions during the 2026-27 school year. Every session will highlight a different type of activity. Each week, we'll have a snack, participate in a Think Tank, take on individual and group challenges, and have some time outside (weather permitting) to run off steam.

The cost for the Explore Club is \$100 per four-week session and is payable directly to Suzy Eitzen by cash or check. This fee includes all materials and weekly snacks. A spot in the club will be secured upon receipt of Registration Slip and payment in full for the chosen session(s). You may register for any session at any time prior to its start date. Sessions will be capped at eight students.

Registration Slip

Please complete this form and drop off at school, along with payment, in an envelope addressed to Mrs. Eitzen.

Student's Name(s): _____

Parent's Name: _____

Parent's Phone: _____
