Cost Per Month	
Days per week	3-5:30pm (school days)
2	\$130
3	\$150
4	\$190
5	\$230

Signature _____ Date _____

This program is offered as a benefit to help our working parents, as well as provide elementary students an opportunity for an early start to homework and some additional fun. We provide a 15 minute grace period if you are running late at no additional cost. Please be mindful of your pick-up time. If an emergency arises, please contact the Elementary Office. The program runs throughout the school year on school days (care not available on school holidays). We provide this service at minimal cost.

Tuition costs are fixed rates. For budgeting convenience, these costs have been averaged over the 9.5 months of the program, taking into account holidays, school closings, etc.

The program takes place in Front Range Christian School's Homeschool area.

Daily schedule and lesson plans include snack (provided by parents), head start for those who have homework or need additional help, gross-motor activity, social and peer partnering, games, and FUN!

For more information, please contact Diana Paradis at dparadis@frcs.org.
